

Omáda Networking Platform

Remote Work Collaboration

Tech Titans 2

Vaidik Sule; Akshat thakur; Veer Adyani; Chirag Kewlani

Project Overview

Omada Networking Platform is a remote work collaboration tool designed to empower teams to work together effortlessly, regardless of geographical barriers. Developed within the intense timeframe of a 36-hour hackathon, our platform embodies innovation, creativity, and a passion for advancing the way teams collaborate remotely.

Technologies Used Are: HTML, CSS, JavaScript

Key Features Overview

Video Conferencing

Time Zone Conversion

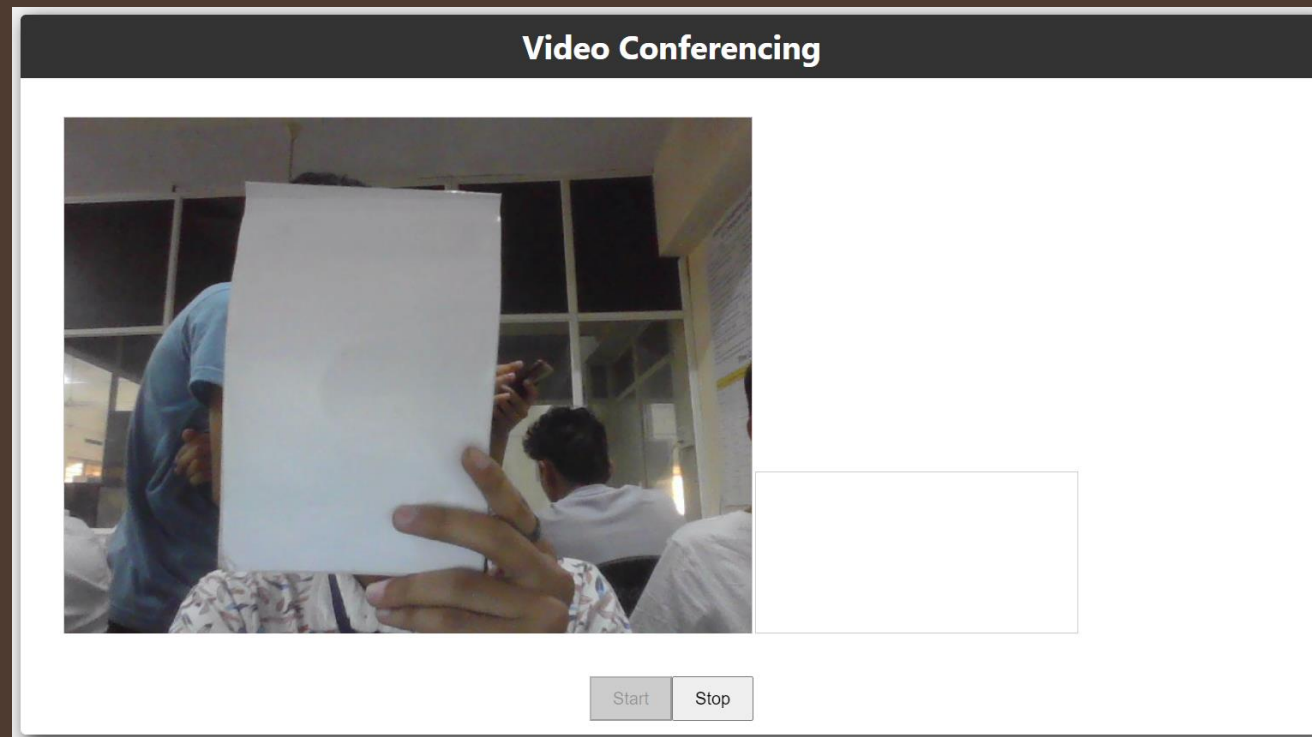

Chat Bot

File Sharing

Friends Management

Video Conferencing

Engage in face-to-face communication with your team members through our integrated video conferencing feature. Collaborate in real-time, brainstorm ideas, and make decisions with confidence.

Time Zone Conversion

Say goodbye to the hassle of coordinating across different time zones! Our platform automatically converts time zones, ensuring everyone is synchronized and on the same page, no matter where they are in the world.

Time Zone Converter

Your Local Time:

8:50:12 AM

Select Timezone:

America/Los_Angeles (PST) ▼

Converted Time:

4/28/2024, 8:20:14 PM

Chat Bot

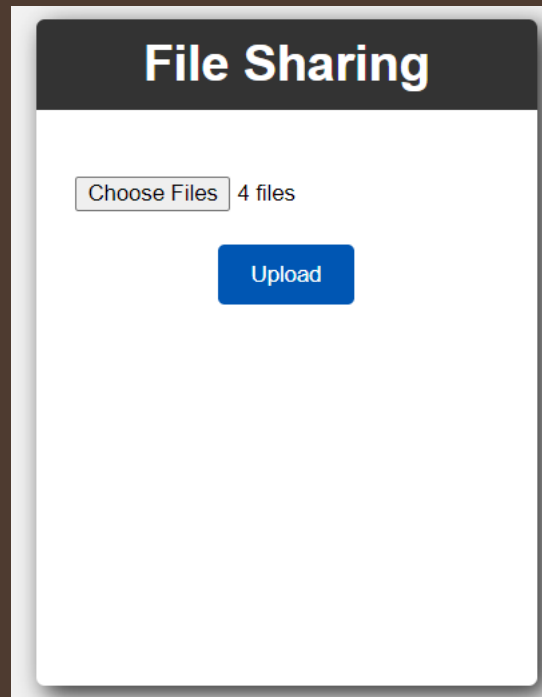

Foster communication and collaboration with our intuitive chat box. Share updates, exchange ideas, and keep the conversation flowing in real-time.

The image shows a web-based chat interface. At the top, there is a dark gray header bar with the text "Chat Box" in white. Below the header is a large white area for the chat messages. In the top-left corner of this area, the text "User:Hii" is visible. At the bottom of the interface is a white input field containing the text "wassup". To the right of the input field is a green button with the text "Send" in white.

File Sharing

Streamline collaboration by sharing files, documents, and resources seamlessly within the platform. From project plans to design files, our file sharing feature ensures that everyone has access to the information they need to succeed.

Friends Management

Build and maintain your professional network effortlessly with our friend management feature. Add, remove, or maintain your friend list with ease, fostering connections and collaboration within your community.

Future Roadmap

We are committed to continuous improvement and have ambitious plans for the future of the Omada Networking Platform. In the coming months, we aim to introduce different channels for various projects and applications, enhancing work distribution and streamlining collaboration. Additionally, we are exploring opportunities to integrate advanced features to further enhance the remote work experience for our users.

Glimpse Of Our Platform

Thank You

Join us on this exciting journey as we revolutionize remote collaboration and empower teams to achieve their goals together, no matter where they are in the world. Welcome to the Omada Networking Platform – where collaboration knows no boundaries!
